- ☐ **F.** The drugs or medicine will be used by a person (including a veterinarian performing veterinary services) on livestock or poultry used in farm production. **Note:** This box is valid only for purchases on or after June 1, 2018 (see instructions).

**Note:** To purchase motor fuel (gasoline) or diesel motor fuel exempt from tax:

- Use Form FT-1004, *Certificate for Purchases of Non-Highway Diesel Motor Fuel or Residual Petroleum Product for Farmers and Commercial Horse Boarding Operations*, for certain purchases of diesel motor fuel.
- Use Form FT-420, *Refund Application for Farmers Purchasing Motor Fuel*, to claim a refund of the motor fuel excise tax, the petroleum business tax, and the state and local sales tax on certain purchases.
- Use Form FT-500, *Application for Refund of Sales Tax Paid on Petroleum Products*, to claim a refund of sales tax on certain purchases.

**Certification:** I certify that the above statements are true, complete, and correct, and that no material information has been omitted. I make these statements and issue this exemption certificate with the knowledge that this document provides evidence that state and local sales or use taxes do not apply to a transaction or transactions for which I tendered this document and that willfully issuing this document with the intent to evade any such tax may constitute a felony or other crime under New York State Law, punishable by a substantial fine and a possible jail sentence. I understand that this document is required to be filed with, and delivered to the vendor as agent for the Tax Department for the purposes of Tax Law section 1838 and is deemed a document required to be filed with the Tax Department for the purpose of prosecution of offenses. I also understand that the Tax Department is authorized to investigate the validity of tax exclusions or exemptions claimed and the accuracy of any information entered on this document.
