Consumer Energy commercially metered, agriculturally zoned, and non-profit customers can qualify. The program will cover up to 75% of total project cost including labor. Customers must provide a copy of their utility bill to verify eligibility. Invoice must show ship-to address where products are to be installed, contact name at facility, phone number, and email address. Lights must be installed within 60 days of delivery date by an electrician of your choice. Your utility will verify that the lights were installed at the listed location upon project completion and submission.
